

# God's Calling

merengue beat, tempo - 120

Pete Haynes

Part 1. God's call-ing! Are you list-ning for a voice? God's call-ing!  
 Are you read-y for a choice? God's call-ing! Catch the  
 rhyth-m and the beat! God's call-ing! Clap your hands and lift your  
 feet, and they will take you where the Lord is call-ing you.  
 So keep your ears wide o-pen wait-ing  
 for a cue. (9 qtr. note claps:) God's call-ing YOU!

Part 2. Lis-ten for our God to speak when you're walk-ing down the street.  
 When you're gath-er-ing for prayer, know the Lord will call you there.  
 If you hear your name at night, lis-ten up with all your might.  
 Does-n't mat-ter who you are: young or old or near or far.  
 Just a will-ing heart you need. Be the one to plant a seed.  
 If you want to play a part, let it first be in *your* heart.
