Invocation

One: When we learn the names, faces, and stories of strangers around us,

All: we share God's love with the neighbors we see.

One: When we make environmental and political decisions based on the well-being of future generations,

All: we share God's love with neighbors we may never meet.

One: When we call out hateful words and actions towards women,

All: we share God's love with our sisters.

One: When we raise our voices against racial injustice,

All: we share God's love with our brothers.

All: May we continue to show our love for God as we demonstrate our love for all God's people.

Prayer

Creator God, often we forget that our words and actions have an impact. We think they are too insignificant to make a difference. Remind us that even seemingly small actions can be powerful. Let us remember that a word can bring about justice, a smile can brighten someone's day, and a simple act of kindness can spread Your love. Give us strength, O God, so that we can show Your glory through the words we say and the things we do. In Christ's name we pray, Amen.
